

**Help Mauk!**

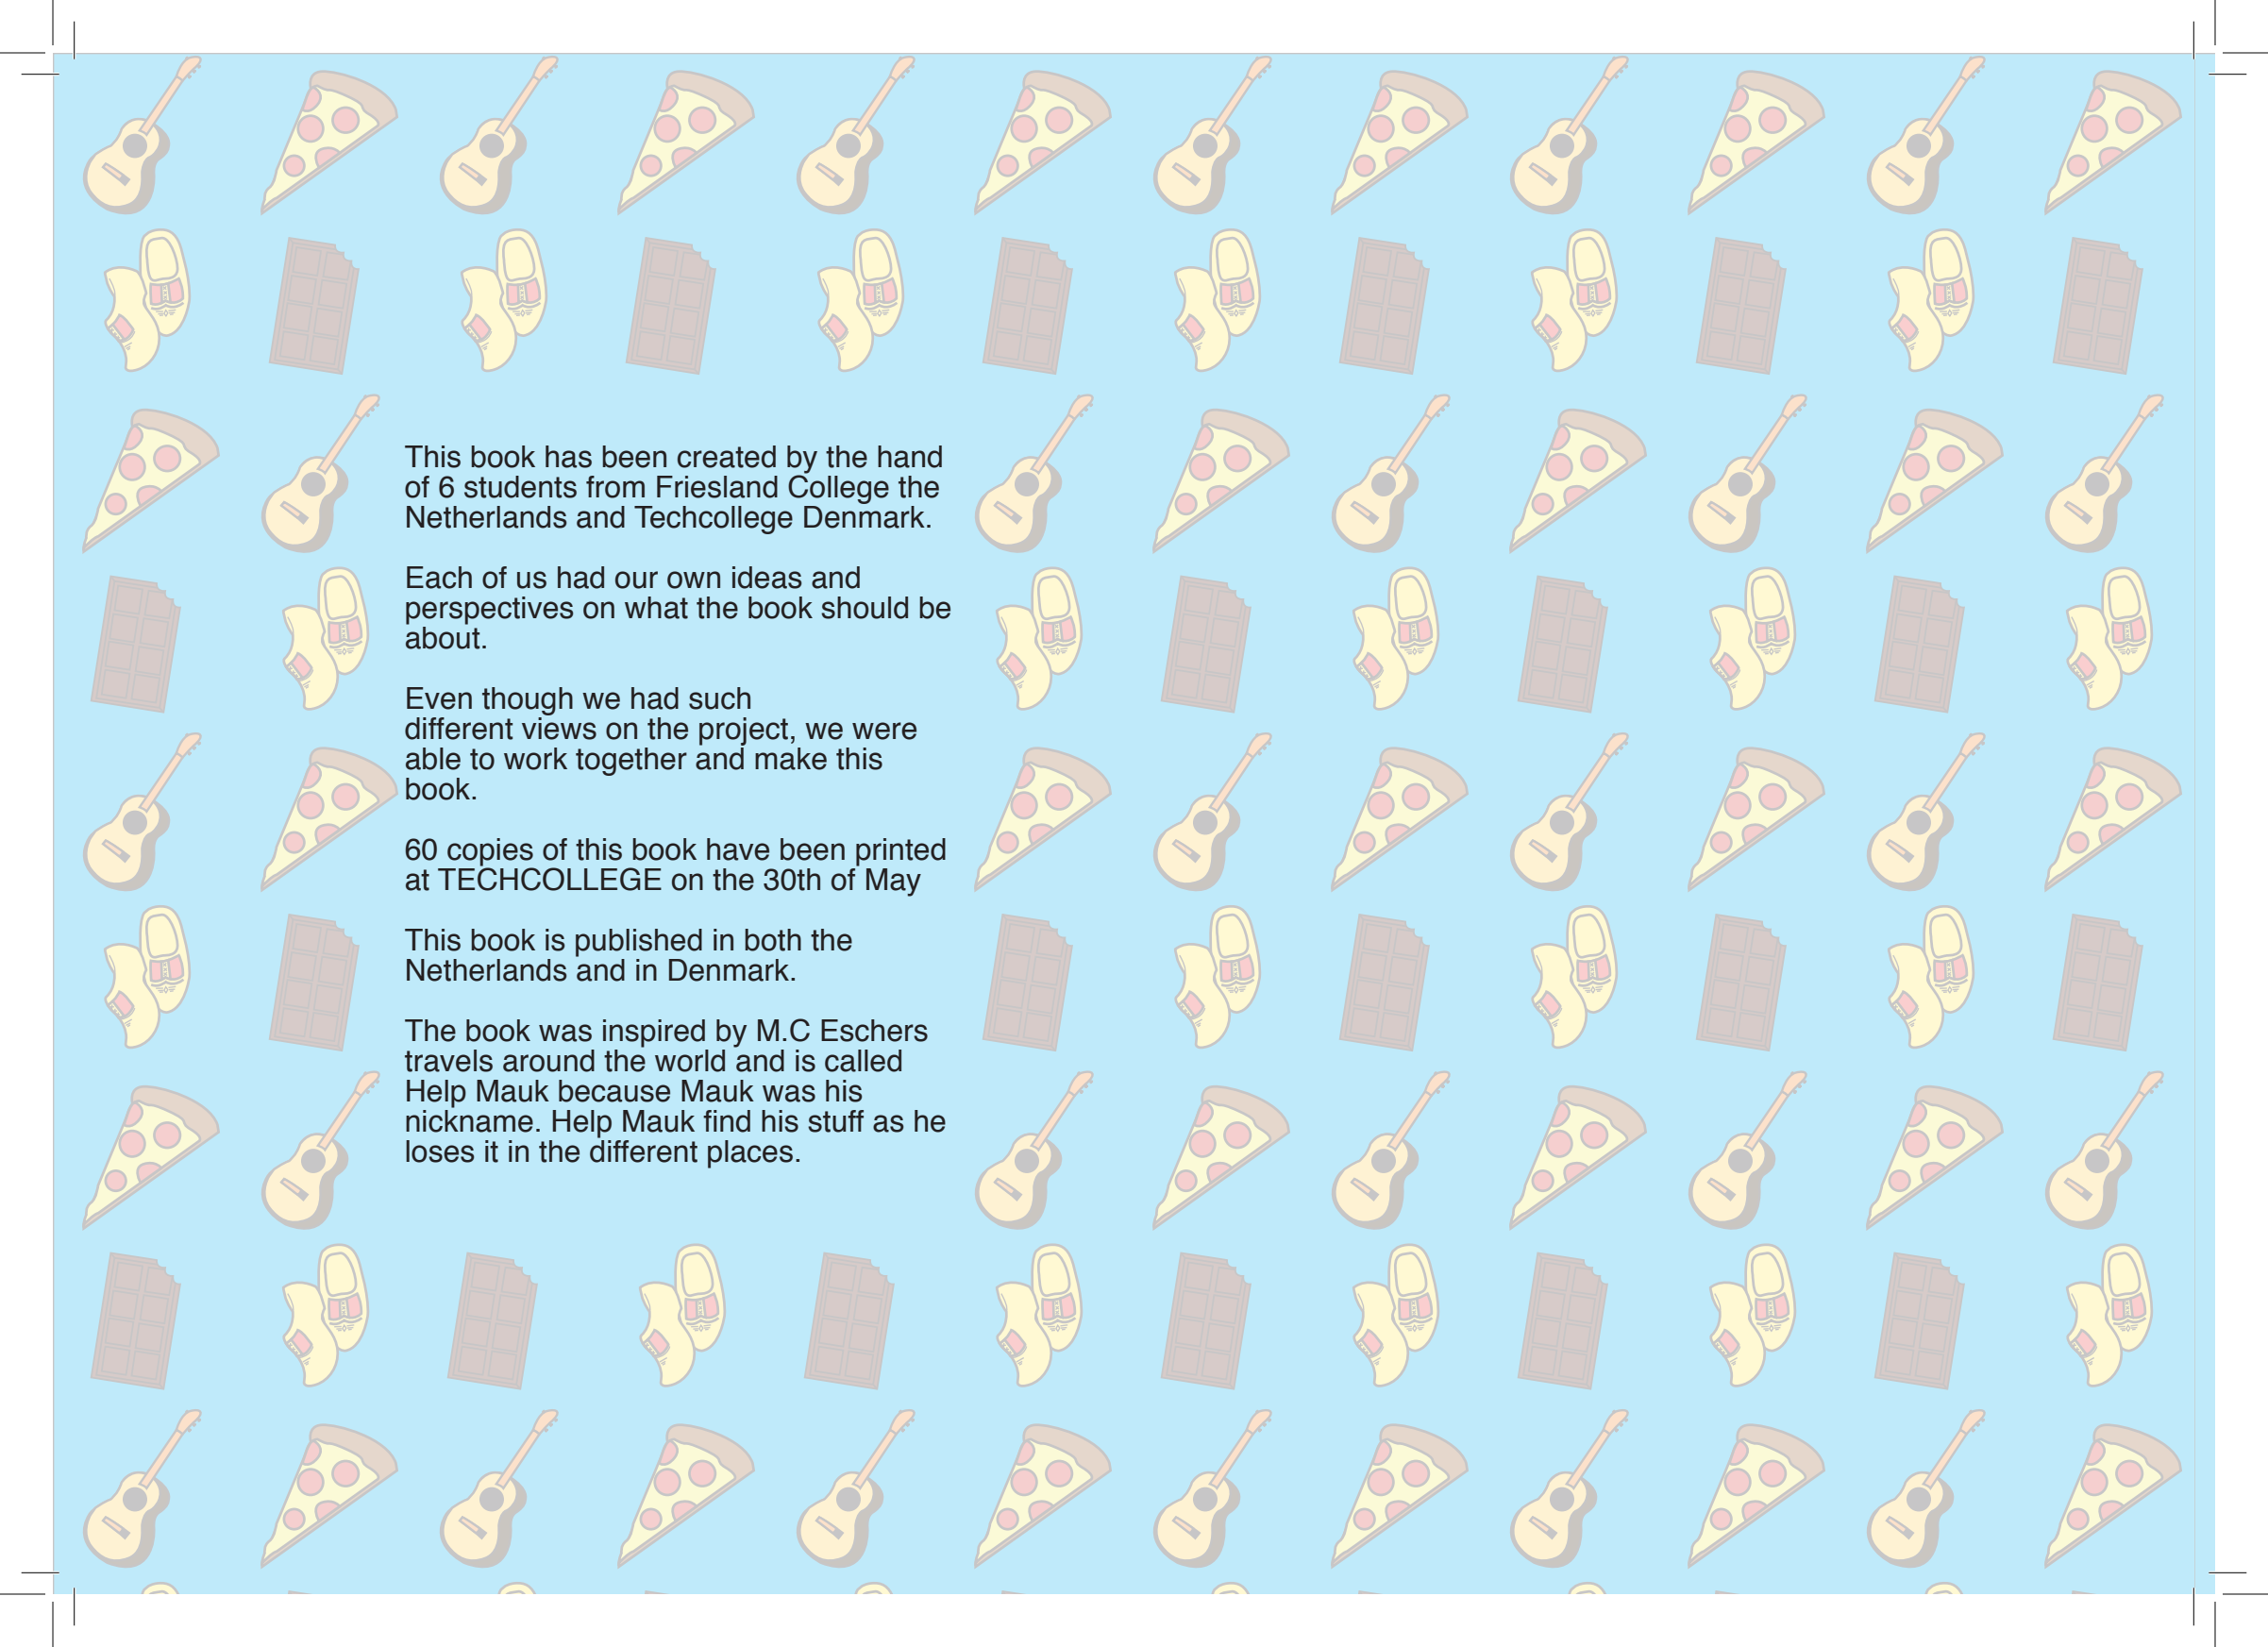

**Help Mauk!**

This book has been created by the hand  
of 6 students from Friesland College the  
Netherlands and Techcollege Denmark.

Each of us had our own ideas and  
perspectives on what the book should be  
about.

Even though we had such  
different views on the project, we were  
able to work together and make this  
book.

60 copies of this book have been printed  
at TECHCOLLEGE on the 30th of May

This book is published in both the  
Netherlands and in Denmark.

The book was inspired by M.C Eschers  
travels around the world and is called  
Help Mauk because Mauk was his  
nickname. Help Mauk find his stuff as he  
loses it in the different places.

# Leeuwarden: Fantasy park

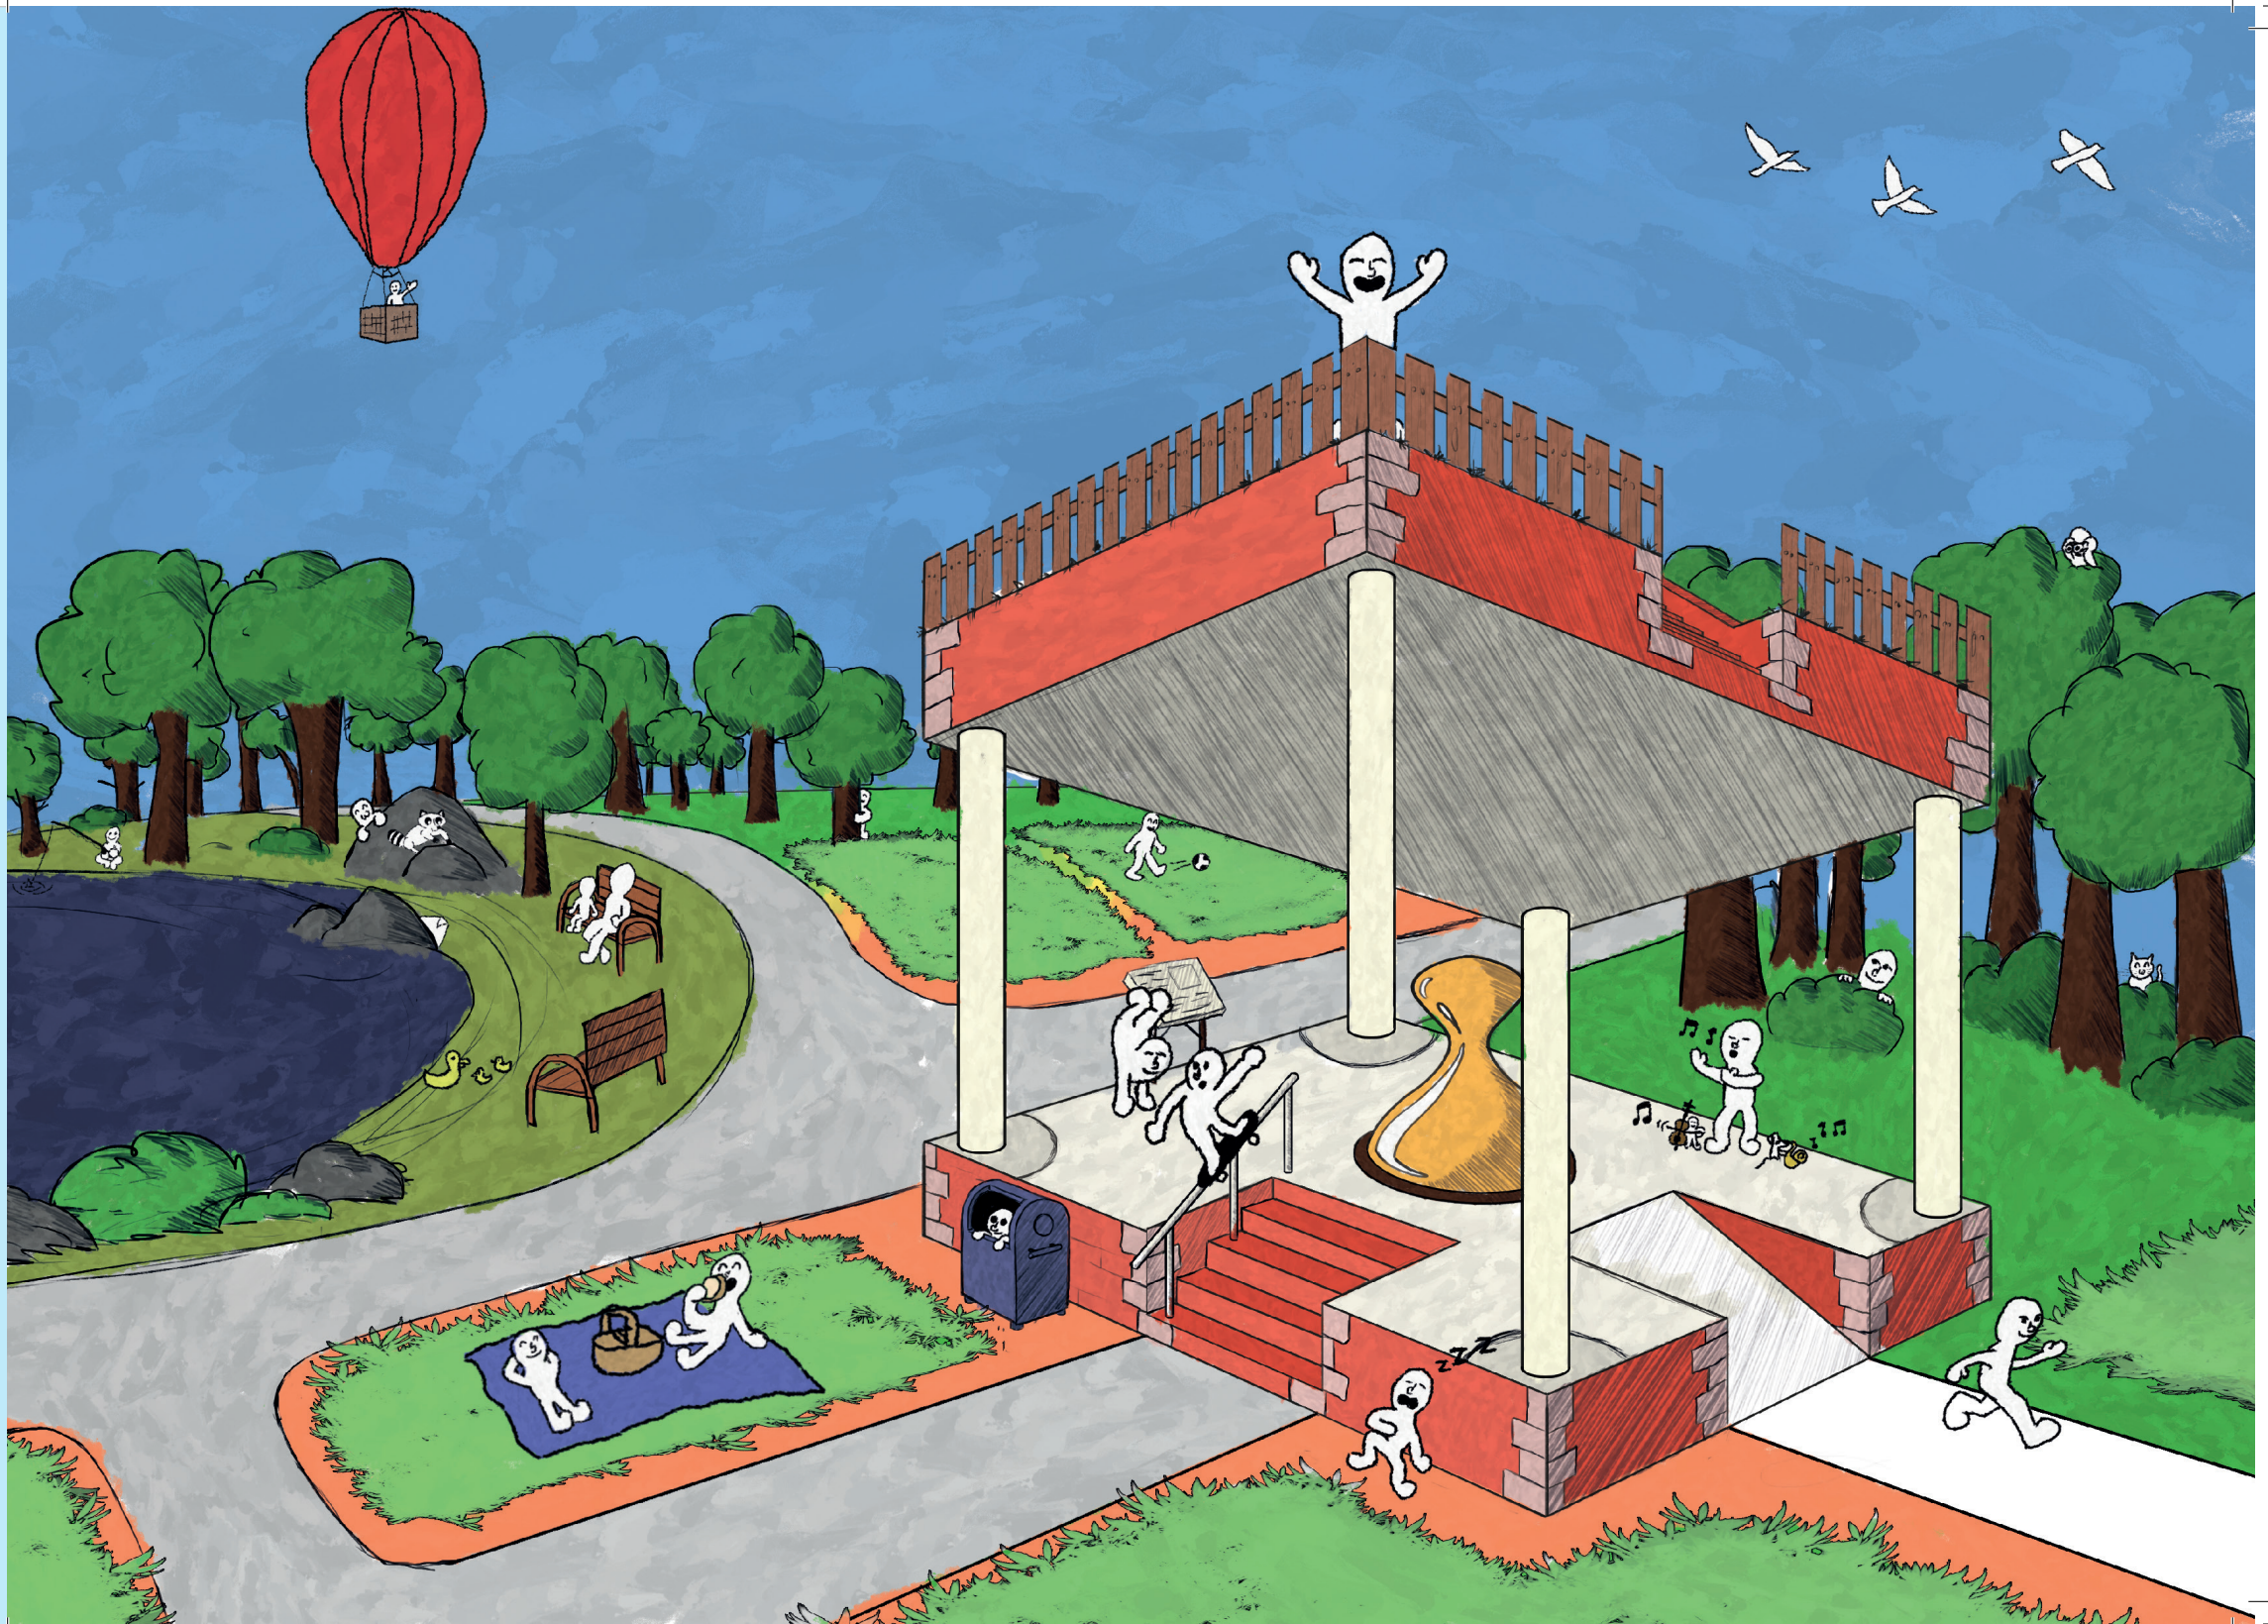

Mauk was walking in the park  
when suddenly a rush of air blew  
his stuff all over the place.  
Can you find it?

This is what blew away:

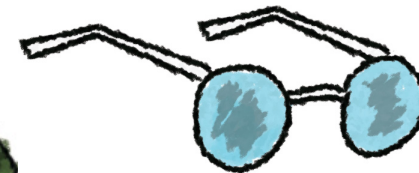

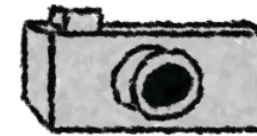

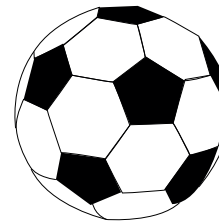

# Spain: Madrid soccer Stadium

Soccer was something Mauk was not very good at. But he wanted to see the soccer stadium. Sadly he did not have a ticket.

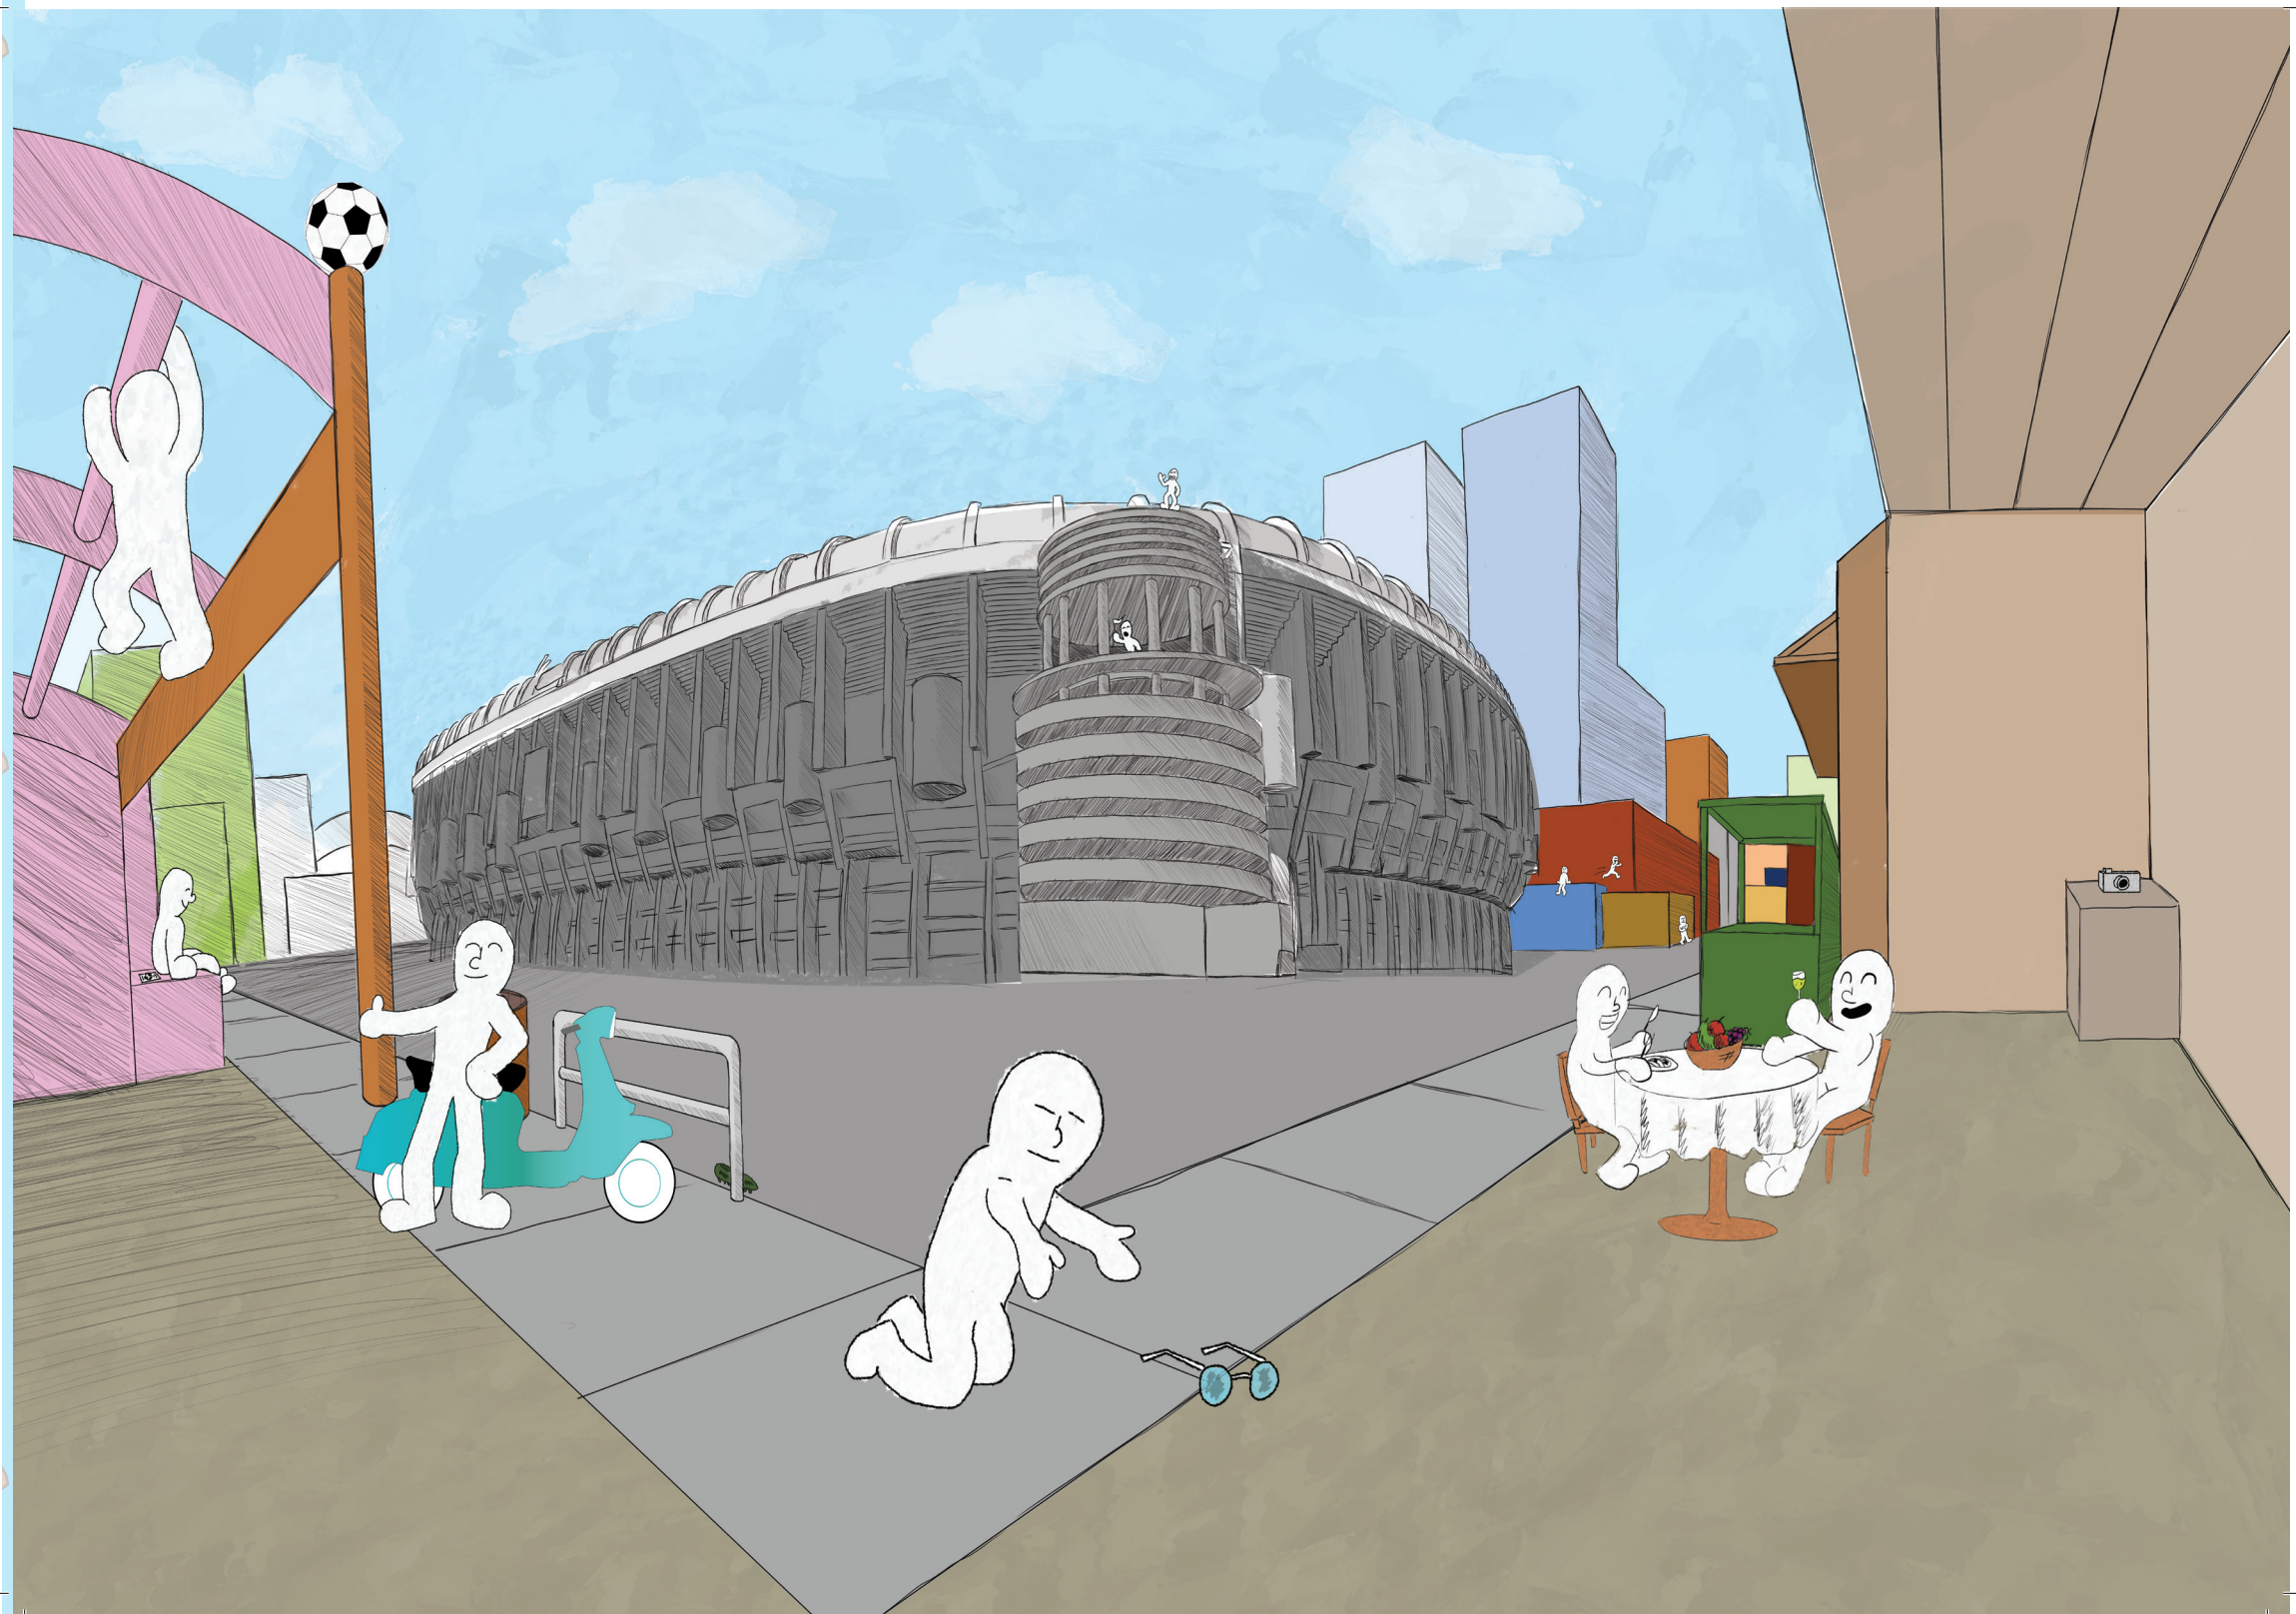

Can you find him a ticket for the stadium?

This is what he's also missing:

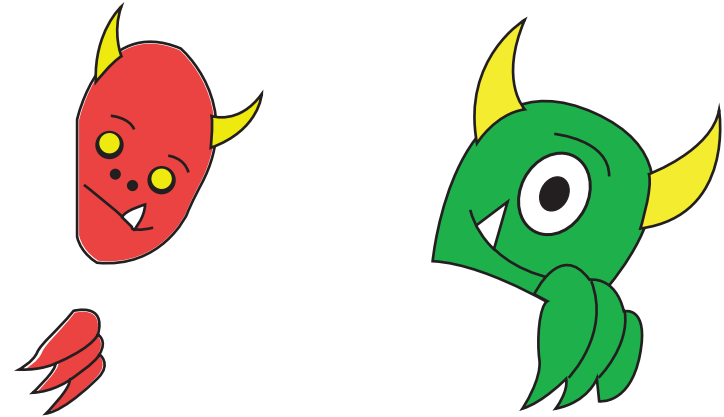

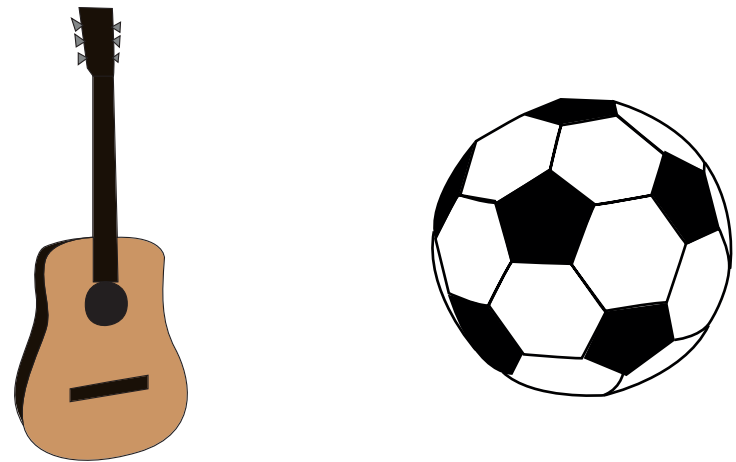

# Spain: Puente Nuevo

When Mauk was done visiting the stadium, he went to go sightseeing. The moment he least expected it, he got pick-pocketed by a sneaky devil who hid all his stuff.

Do you see the devils?

These are the items they took:

# Italy: Atrani

After visiting Spain Mauk wanted to see more of Europe. He went to Italy! He wanted to meet up with his friends and relax a bit. Oh no! he forgot where his friends are.

Can you find them?

These are the people he is missing:

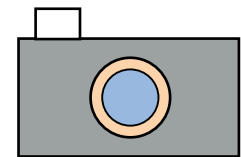

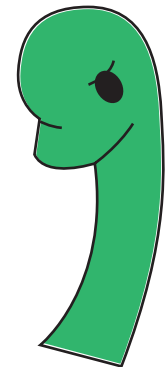

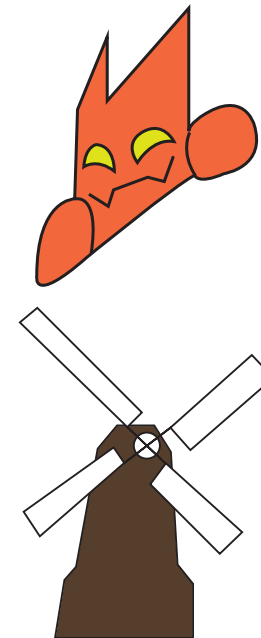

# Switzerland: Chateau D'eaux

Mauk liked Italy very much.  
But the heat went to his head,  
so he traveled to Switzerland to  
cool down. He heard rumors that  
Bigfoot was there. Sadly he forgot  
to bring a camera, so he needs  
your help.

Can you find Bigfoot?

This is what he's also missing:

# Leeuwarden: Townsquare

When Mauk got back to Leeuwarden he was a bit confused. This is not how his hometown looked when he left. And who are all those weird white figures?

Can you spot all 13 figures?

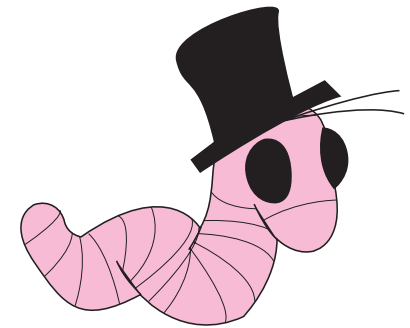

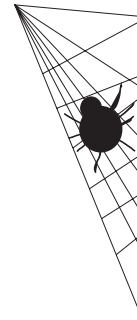

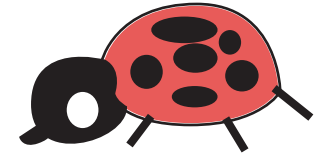

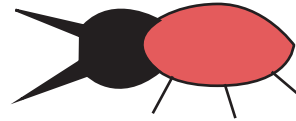

# Dream park

Mauk was tired from his travels so he went to sleep.

When he was sleeping he had a dream about catching bugs in a park.

Can you find all four of them?
